- Increase student engagement
- Motivate students to learn

- Improve student productivity
- Create a positive classroom environment

The activities in this book are divided into four sections:

- Section 1: Building Relationships
- Section 2: Setting Goals and Expectations
- Section 3: Providing Feedback and Support
- Section 4: Creating a Positive Classroom Environment

Each section contains 10 activities that are designed to help you build stronger relationships with your students, set clear goals and expectations, provide feedback and support, and create a positive classroom environment. The activities are easy to implement and can be used with students of all ages and abilities.

This book is a valuable resource for any teacher who wants to create a more engaging and productive learning environment for their students. The activities in this book will help you to:

- Increase student commitment
- Motivate students to learn
- Improve student productivity
- Create a positive classroom environment
