Synopsis

An Alien Fated Mates Romance: Crashed and Claimed is a captivating science fiction romance novel that explores themes of destiny, love, and the power of connection. The story follows the journey of Anya, a young woman from Earth, and Jax, a powerful alien warrior from the planet of Zaron.

When Anya's spaceship crashes on Zaron, she is rescued by Jax. Despite their different backgrounds, they are drawn to each other in a way neither of them can explain. As they spend more time together, they begin to realize that they are fated mates, destined to be together.

However, their love is not without its challenges. Anya must learn to adapt to a new planet and a new culture. Jax must face the prejudices of his people, who believe that humans are inferior. And together, they must overcome the obstacles that threaten to tear them apart.
