The Inferno Tarot is based on the traditional Rider-Waite-Smith tarot deck, but with a unique twist. The cards in the Inferno deck are darker, more intense, and more symbolic than their traditional counterparts. This makes the Inferno deck a more challenging deck to read, but it also makes it a more rewarding deck for those who are willing to put in the time to learn its secrets.

The Inferno Tarot is divided into two parts: the Major Arcana and the Minor Arcana. The Major Arcana consists of 22 cards, each of which represents a different stage in the journey of the soul through the underworld. The Minor Arcana consists of 56 cards, which are divided into four suits: Wands, Pentacles, Cups, and Swords.

Each card in the Inferno deck has a unique meaning. The meanings of the cards are based on the traditional tarot meanings, but they have been updated to reflect the modern world. The Inferno Tarot is a powerful tool for self-exploration and divination. It can be used to gain insight into your own psyche, to understand your relationships with others, and to make decisions about your life.
