Eddie Dinosaur is turning five, and he's so excited to celebrate with his friends! He has a big birthday party planned, with all the fun activities a dinosaur could want: a bouncy castle, a pool filled with water balloons, and a table full of delicious treats.

But as the party gets started, Eddie starts to feel a little overwhelmed. There are so many people and so much noise, and he just wants to find a quiet place to hide. Luckily, his friends are there to help him, and they soon find a way to make Eddie feel comfortable and happy again.
