## **The Battle of Worcester**

The Battle of Worcester was the decisive battle of the English Civil War. It was fought on September 3, 1651, between the Parliamentarians and the Royalists. The Parliamentarians were victorious, and Charles II was forced to flee the country.

The battle was a bloody affair. Over 2,000 Royalists were killed, and over 10,000 were taken prisoner. Charles himself was nearly captured, but he managed to escape with the help of his loyal supporters.

## **The Great Escape**

After the Battle of Worcester, Charles began his Great Escape. He traveled in disguise, often hiding in forests and fields. He was constantly pursued by Parliamentarian soldiers, and he had several close calls.

One of the most famous incidents of Charles's escape occurred at Boscobel House. Charles was hiding in an oak tree when a group of Parliamentarian soldiers passed by. The soldiers did not see Charles, and he was able to escape.

Charles eventually reached France, where he was granted asylum. He lived in exile for nine years, but he never gave up hope of returning to England.

## **The Restoration**

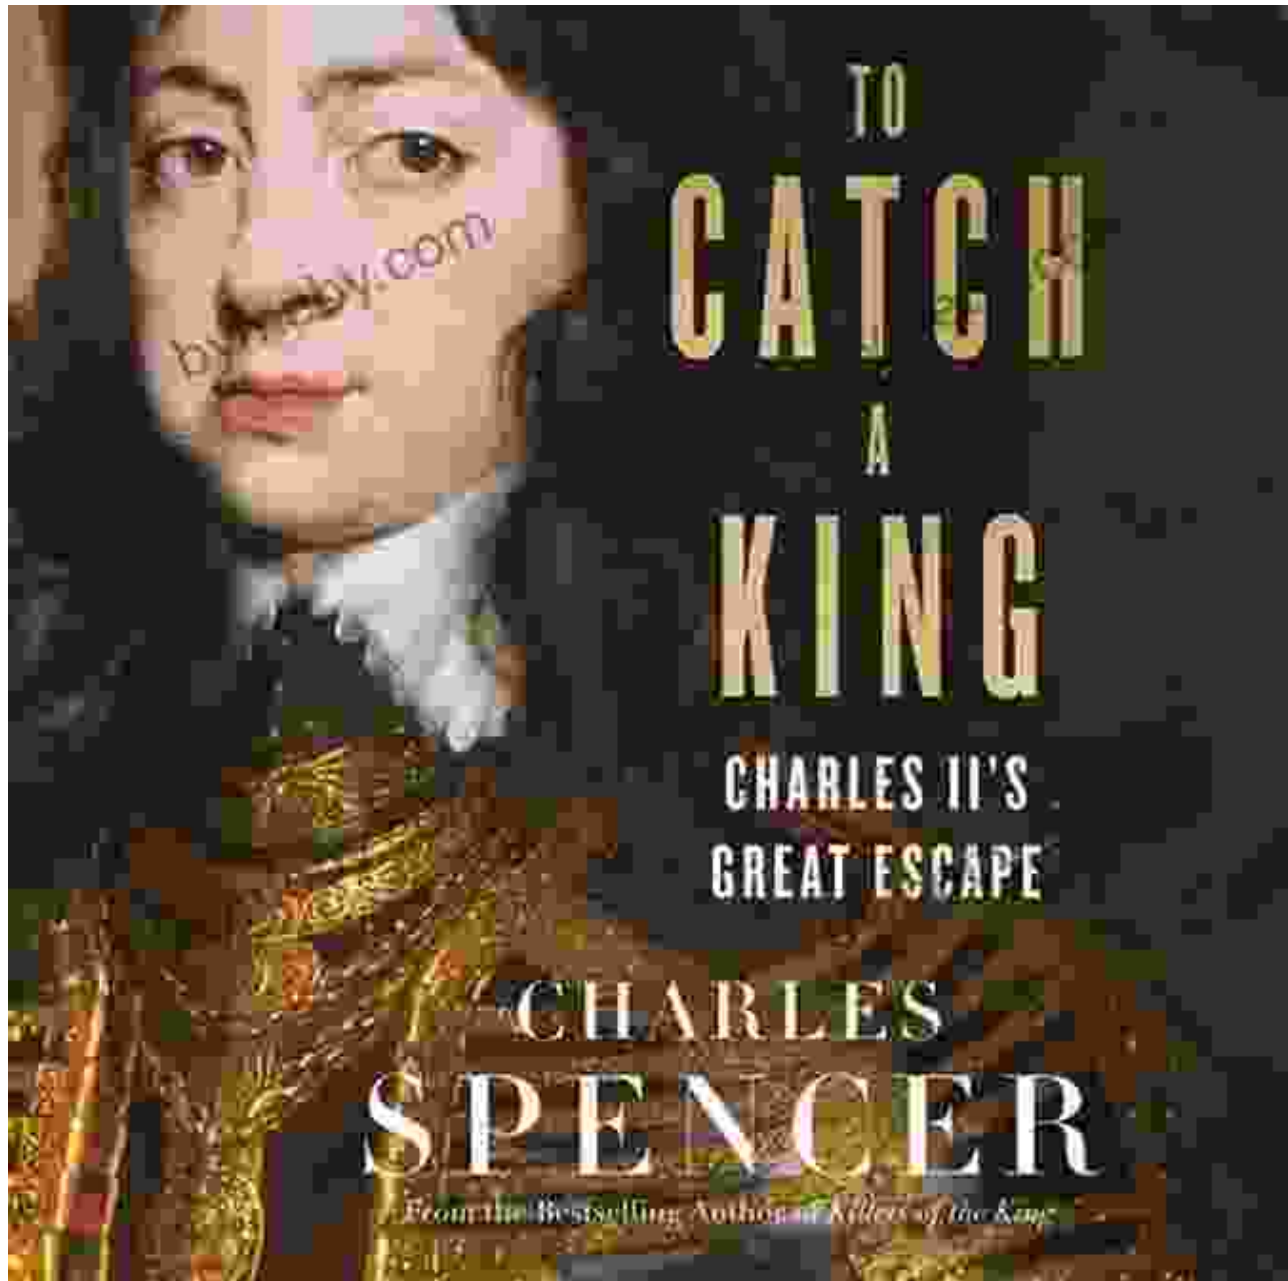

In 1660, Charles II was invited to return to England. The Parliamentarians had been overthrown, and the monarchy was restored. Charles was crowned king, and he reigned for 25 years.

Charles's reign was a time of great change for England. He introduced a number of reforms, including the Habeas Corpus Act, which protected citizens from arbitrary arrest.
