Summary

In the heart of the 1940s, amidst the echoes of war and the rise of modernism, a young woman named Alice discovers a hidden truth that will change her life forever. Orphaned as a child, Alice has always felt a sense of longing and a connection to something extraordinary. When she inherits

a mysterious diary from her grandmother, she embarks on a journey to unravel the secrets of her past.

The diary reveals that Alice is descended from a long line of fairy tale characters, including the beloved Cinderella and the enigmatic Red Riding Hood. As Alice delves deeper into her heritage, she discovers that she possesses magical abilities that have been dormant for generations. With the help of a charming prince and a wise old mentor, Alice must navigate a world of enchantment and danger to fulfill her destiny as the guardian of the fairy tale realm.
