The book is written with honesty and humor, and it offers a wealth of practical advice for families facing the challenges of autism. The authors share their experiences with therapies, schools, and other resources, and they provide tips on how to advocate for your child and build a support system.

But more than anything, this book is a story of hope. It is a story about a family who has learned to embrace their child's autism and see it as a gift.

It is a story about a family who has found strength and resilience in the face of adversity.

## **What People Are Saying About Family Emerging From The Shadows Of Autism**

"This book is a must-read for families facing the challenges of autism. It is a powerful and inspiring story of hope and healing." - **Dr. Temple Grandin, author of Thinking in Pictures**
