Synopsis

In the icy embrace of winter, the stakes are higher than ever for Rose Hathaway and Lissa Dragomir. After their daring escape from St. Vladimir's Academy, they are now hunted by both Strigoi and Moroi alike. But their greatest threat may come from the secrets they keep from each other.

Rose is determined to protect Lissa at all costs, even if it means putting herself in danger. But as their bond deepens, Rose begins to question her own feelings for Lissa. Are they just friends, or is there something more?

Lissa, too, is struggling with her own emotions. Torn between her duty to her family and her growing feelings for Rose, she must make a difficult choice that will shape their future.

As the danger intensifies, Rose and Lissa must learn to trust each other and themselves if they are to survive. But with ancient traditions, forbidden love, and supernatural threats lurking around every corner, their journey will be anything but easy.
