In the gritty underbelly of a city torn by corruption and violence, there is a vigilante who fights for justice in the shadows. His name is Michael, and he is a man with a dark past and a thirst for revenge.

Michael's life changed forever when his family was brutally murdered. The police failed to bring the killers to justice, so Michael took matters into his own hands. He became a vigilante, using his skills as a former soldier to target the criminals who preyed on the innocent.

But Michael's vigilante activities soon attract the attention of a supernatural force. A demon named Asmodeus offers Michael power beyond his wildest dreams, but at a terrible price. Asmodeus wants Michael to become his pawn, to use his vengeance to unleash chaos and destruction upon the city.

Michael must now choose between his own desire for vengeance and the greater good. He must find a way to defeat Asmodeus and protect the city from the forces of evil. But can he do it without losing his soul?

Heart of Vengeance is a thrilling urban fantasy novel that explores the themes of justice, revenge, and redemption. It is a story about one man's fight against the darkness, both within and outside himself.
