The Command Heel is the most comprehensive guide to training your dog to heel perfectly. With step-by-step instructions and clear, concise explanations, this book will teach you everything you need to know to train your dog to walk calmly and confidently by your side.

Whether you're a first-time dog owner or an experienced trainer, The Command Heel has something for you. This book covers everything from basic obedience commands to advanced heelwork exercises.

With The Command Heel, you'll learn how to:

- Teach your dog to walk on a loose leash
- Stop your dog from pulling
- Train your dog to heel in any environment
- Correct common heelwork problems
- And much more!

The Command Heel is the only book you'll ever need to train your dog to heel perfectly. So if you're ready to take your dog training to the next level, then Free Download your copy of The Command Heel today.

What's Inside The Command Heel

The Command Heel is divided into four parts:

1. **Part 1: The Basics of Heelwork**
2. **Part 2: Training Your Dog to Heel**
3. **Part 3: Troubleshooting Heelwork Problems**
4. **Part 4: Advanced Heelwork Exercises**

Part 1 provides a foundation for the rest of the book by explaining the basics of heelwork, including the different types of heelwork, the equipment you need, and the basic principles of dog training.

Part 2 takes you through the step-by-step process of training your dog to heel. You'll start with basic obedience commands, such as sit, stay, and come, and then gradually progress to more advanced heelwork exercises.

Part 3 helps you troubleshoot common heelwork problems, such as pulling on the leash, lunging at other dogs, and barking at strangers.

Part 4 provides advanced heelwork exercises that will challenge your dog and help you take your heelwork to the next level.

The Benefits of The Command Heel

There are many benefits to training your dog to heel, including:

- **Improved communication:** When your dog knows how to heel, you'll be able to communicate with them more effectively and easily.
- **Increased safety:** A dog that knows how to heel is less likely to get lost, injured, or involved in accidents.
- **Reduced stress:** Training your dog to heel can help reduce stress for both you and your dog.
- **Enhanced bonding:** Training your dog to heel is a great way to bond with your dog and build a stronger relationship.

If you're looking for the most comprehensive guide to training your dog to heel, then The Command Heel is the book for you.
