## About the Book

Jamestown: The Truth Revealed is a groundbreaking work that sheds new light on the founding of the first permanent English settlement in North America. Through meticulous archaeological research, William Kelso, one of the world's leading archaeologists, has uncovered a wealth of new information that challenges long-held beliefs about Jamestown.

Kelso's team has excavated over 100,000 artifacts from Jamestown, including the remains of the original fort, houses, and church. These artifacts have provided a wealth of information about the daily lives of the early colonists, their struggles, and their triumphs.

## **What You'll Learn from Jamestown: The Truth Revealed**

In Jamestown: The Truth Revealed, you will learn:

- The real reasons why the colonists came to Jamestown
- The challenges they faced in establishing a permanent settlement
- The relationships between the colonists and the Native Americans
- The role of Jamestown in the development of the United States

Jamestown: The Truth Revealed is a must-read for anyone interested in American history, archaeology, or the founding of the United States.

## **About the Author**

William Kelso is one of the world's leading archaeologists. He has directed excavations at Jamestown for over 30 years, and his work has revolutionized our understanding of the founding of the United States. Kelso is the author of several books, including Jamestown: The Buried Truth and Jamestown Rediscovered.
