Frequently Asked Questions

What is the TOEFL iBT?

The TOEFL iBT (Internet-based Test of English as a Foreign Language) is an English proficiency test used to assess the language skills of non-native English speakers for academic and professional purposes.

Who should use this guide?

This guide is designed for non-native English speakers who are preparing for the TOEFL iBT and wish to improve their vocabulary and overall language skills.

How can I use this guide?

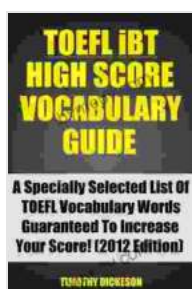

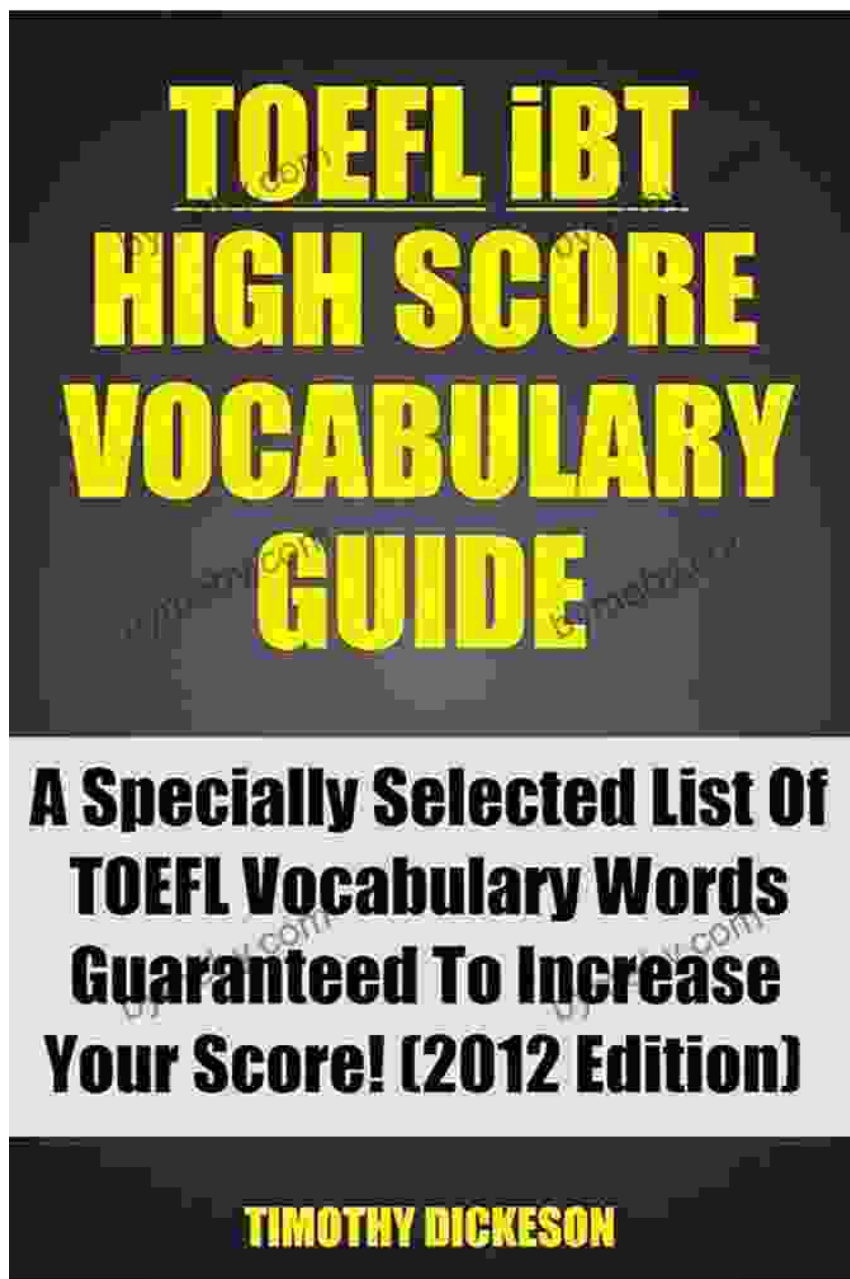

The guide is structured with progressive difficulty levels. Begin by studying the most fundamental words and gradually progress to more complex vocabulary. Utilize the interactive exercises and practice tests to reinforce your learning.

What is the best way to study with this guide?

Consistency is key. Dedicate a specific time each day to studying the vocabulary and completing the exercises. Regular practice will help you retain the information and enhance your language skills.

How long will it take to see results?

The time it takes to see results will vary based on your individual learning style and effort. However, consistent use of this guide will significantly improve your vocabulary and overall TOEFL iBT performance.
