Abigail Adams, the wife of future President John Adams, is a strong-willed and independent woman who believes that women should have a voice in their own destiny. She is determined to use her position as First Lady to advocate for the rights of women and to help shape the new nation.

On the other side of the conflict is Mercy Otis Warren, a brilliant playwright and poet who is equally passionate about the cause of independence. She believes that the American colonies should be free from British rule, and she is willing to use her writing to rally support for the Revolution.

As the war intensifies, Abigail and Mercy find themselves drawn into a dangerous game of intrigue and deception. They are both targeted by British spies, and they must use all of their wits to outsmart their enemies. Along the way, they will also find themselves falling in love with men who are on opposite sides of the conflict.

The Matchmaker War Is Coming is a gripping historical novel that follows the intertwined lives of two extraordinary women who played a vital role in the American Revolution. It is a story of love, duty, and the power of women to shape history.
