

# The Ultimate Collector's Guide to Volume Shopkins

Shopkins are one of the most popular collectible toy lines in the world. With over 150 different characters to collect, there's something for everyone. The toys are designed with intricate detail and are often themed around different foods and drinks.

Volume Shopkins is the first volume in the Shopkins collection. It was released in 2014 and features 120 different characters. The toys in this volume are based on everyday objects, such as fruits, vegetables, and household items.

The toys in Volume Shopkins are made from a durable plastic material. They are about 1 inch tall and have a variety of different features. Some of the toys have moving parts, while others have glitter or other special effects.
