Jodi was walking home from work when she was approached by a man named Travis Alexander. Alexander was a charismatic and charming man, and Jodi was immediately drawn to him. They talked for a while, and Jodi agreed to go back to his apartment with him.

Once they were inside Alexander's apartment, Jodi realized that something was wrong. Alexander became increasingly aggressive, and he eventually

attacked her. Jodi fought back with all her might, but Alexander was too strong for her. He overpowered her and began to strangle her.

As Jodi's life began to fade away, she thought of her family and friends. She thought of all the things she would never get to do. She thought of all the people who would miss her.

But then, something miraculous happened. Jodi's body went limp, and Alexander thought she was dead. He let go of her throat, and Jodi gasped for air.

Jodi knew that she had to escape. She stumbled to her feet and ran out of Alexander's apartment. She ran and ran until she found help.

Jodi's story is a testament to the human spirit. It is a story of survival, hope, and courage. It is a story that will stay with you long after you finish reading it.
