A rogue nation has seized control of a nuclear missile site, and the United States must act swiftly to prevent a catastrophic attack. President Jack Ryan dispatches his elite team of operatives, the Campus, to infiltrate the site and neutralize the threat.

Led by Admiral James Greer, the Campus is a formidable force of highly skilled and experienced counterterrorism experts. But this mission will test their limits like never before. They must navigate treacherous terrain, outwit cunning adversaries, and face unimaginable dangers in their quest to save the world.

As the clock ticks down, the Campus races against time to prevent a nuclear holocaust. Their actions will determine the fate of nations and the future of humanity itself.

A Gripping Thriller from the Master of Suspense

Tom Clancy's Op Center series is renowned for its authenticity, heart-pounding action, and insightful exploration of global security threats.

Operators Under Fire is no exception.

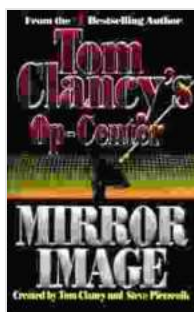

Clancy's meticulous research and attention to detail bring the world of counterterrorism to life. Readers will feel as if they are right there alongside the Campus, experiencing the danger and adrenaline firsthand.

With its fast-paced plot, complex characters, and explosive action sequences, Operators Under Fire is a must-read for fans of military thrillers, espionage novels, and Tom Clancy's iconic work.
