Summary

In a world marked by increasing globalization and cultural diversity, the church is facing unprecedented challenges and opportunities. The ability to understand, value, and bridge cultural differences has become paramount for church leaders who seek to create welcoming, relevant, and effective ministries.

'Many Colors: Cultural Intelligence for Changing Church' is a comprehensive guide that equips church leaders with the knowledge and skills they need to navigate this complex landscape. Drawing on insights from cultural anthropology, psychology, and biblical principles, this book provides a roadmap for building thriving, inclusive communities that reflect the kaleidoscope of cultures found in today's world.

Key Features

- **Practical tools and strategies:** Offers practical guidance on assessing cultural intelligence, developing cross-cultural communication skills, and fostering inclusive environments.

- **Biblical foundation:** Grounded in biblical principles that emphasize the value of diversity and the call to love and serve all people.
- **Case studies and real-life examples:** Provides real-world examples of how cultural intelligence has been applied in various church settings, offering valuable insights and lessons learned.
- **Cultural self-assessment:** Includes a Cultural Intelligence Inventory that helps readers identify their strengths and weaknesses in this area, guiding them towards targeted improvement.
- **Discussion questions and group activities:** Facilitates group discussion and reflection, making it an ideal resource for leadership teams, study groups, and training sessions.

Authors

Dr. Daniel Im is a renowned missiologist and professor at Biola University's Talbot School of Theology. With extensive experience in cross-cultural ministry, he has authored numerous books and articles on cultural intelligence and intercultural communication.

Jane Kim is a seasoned church leader and consultant with a passion for building inclusive and culturally diverse faith communities. Her insights into the challenges and opportunities of ministry in a changing cultural landscape are invaluable.

Endorsements

"Many Colors is a must-read for any church leader who wants to navigate the changing religious landscape with cultural intelligence. Im and Kim

provide practical tools, biblical insights, and real-life examples that will equip you to build thriving, inclusive communities."

- Dr. Reggie McNeal, author of 'Kingdom Come' and 'A Work of Heart'

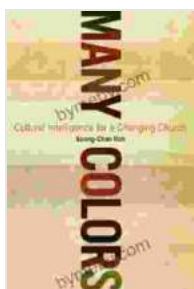

"This book is a game-changer for church leaders seeking to build truly inclusive and welcoming ministries. The authors offer a comprehensive framework for understanding cultural intelligence and provide practical guidance on how to apply it in church contexts."

- Dr. Christine Pohl, author of 'Making Room' and 'Kingdom Diversity'

'Many Colors: Cultural Intelligence for Changing Church' is an essential resource for church leaders who are committed to building vibrant, inclusive communities that reflect the beauty and diversity of God's creation. Its practical tools, biblical foundation, and real-world examples will empower leaders to navigate the challenges and embrace the opportunities of ministering in a culturally diverse world.
